

Artist Pledge Partner Programme

Aussie Grown Radio is a **faith based** organisation with a heart and mission for service and support to the Australian Christian music industry, specifically the artists creating the music.

Why

Aussie Grown Radio exists because we believe that music connects the world. We want to affect change in the world using music created by artists who champion the Christian values of love, faith, hope, joy, peace, grace and service.

“Let the peace of Christ rule in your hearts, since as members of one body you were called to peace. And be thankful. ¹⁶ Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the Spirit, singing to God with gratitude in your hearts. ¹⁷ And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him.” Colossians 3:15-17

Our **mission** is to bring the good news to the nation through the Australian music we play.

Our **vision** is to increase the reach of our syndicated radio programme and expand to television and 24/7 internet radio.

What

Aussie Grown Radio represents a collective of Australian* music artists committed and dedicated to spreading positive messages through music to people from all walks.
